AIR COMP

A black control panel with a silver border. It features two circular gauges: the left one is labeled 'OIL' and 'PSI' with a scale from 0 to 125; the right one is labeled 'TEMP' and '°F' with a scale from 150 to 240. Below the gauges is a digital display showing '26' and the word 'HOURS'. To the right of the display is a red emergency stop button and a green 'START / STOP' button. The 'POWER TECH' logo is at the bottom.

A vertical control panel with a silver finish. It has a central toggle switch with 'OPEN' above it and 'CLOSE' below it. The text 'GEN DOOR ACT.' is printed below the switch.

A vertical control panel with a silver finish. It has a central toggle switch with 'OPEN' above it and 'CLOSE' below it. The text 'AWN DOORS' is printed below the switch.

A control panel with four toggle switches. The top two are labeled 'AWN LIGHTS' and 'AWN 110'. The bottom two are labeled 'WATER PUMP' and 'AWNING'.

A control panel with four toggle switches. The top two are labeled 'UPPER' and 'FLOOD LIGHTS'. The bottom two are labeled 'LOWER' and 'LEFT'.

A control panel with a single toggle switch labeled 'UCL'.
